We feed the programs that feed the hungry

The Mission of the New Hampshire Food Bank is to feed hungry people by soliciting and effectively distributing grocery products and perishable foods, and offering innovative programs through a statewide network of approved agencies; by advocating for systemic change; and by educating the public about the nature of, and solutions to, problems of hunger in New Hampshire.
### 2015 Goals

- Plan for and meet the continued demand for product and services to our 400 plus agency partners.
- Meet a distribution increase goal of 10% (11.2 million pounds to 12.3 million pounds). This relates to a total annual meal distribution of 10,250,000 meals statewide.
- Continue to expand statewide SNAP (Food Stamp Outreach) with a focus on the senior population.
- Increase participation in Cooking Matters® Signature Courses by 10%.
- Seek out and expand professional partnerships for enhanced internship opportunities and career placement involving the Culinary Training Program.
- Develop curriculum leading to deployment of a revenue generating catering venue.
- Continue to collaborate with community and statewide partners to identify the root causes of hunger and to advocate on behalf of those we serve in the state of New Hampshire.
