WMUR AND NHIAA SPONSOR NH TACKLES HUNGER

It’s time for WMUR’s annual “NH Tackles Hunger” food drive to benefit families in your local communities! In eight years, “NH Tackles Hunger” has collected more than 657,000 pounds of food, which equals approximately 547,500 meals for NH families in need. We look forward to joining forces with NH schools once again to make a difference!

**STUFF A CRUISER FOOD DRIVES**

Help Concord Police and the NH Food Bank fight hunger! Stuff a cruiser with food donations, meet your local law enforcement officers, and make a difference in your community!
Sweet Potato Fries
A Cooking Matters Recipe

Ingredients
- 4 medium sweet potatoes
- 1½ teaspoons paprika
- ½ teaspoon salt
- ¼ teaspoon ground black pepper
- ⅛ teaspoon cayenne pepper
- 1 Tablespoon canola oil
- Non-stick cooking spray

Instructions
- Preheat oven to 450°F.
- Scrub and rinse sweet potatoes. Pat dry with a paper or kitchen towel.
- Leaving skin on, cut sweet potatoes into thick French fry strips, about ½-inch wide.
- In a large bowl, mix paprika, salt, ground black pepper, and cayenne pepper. Add oil. Blend with a fork until there are no lumps.
- Add sweet potato strips to the bowl. Toss until they are coated on all sides.
- Coat baking sheet with non-stick cooking spray. Place sweet potatoes in a single layer on the sheet.
- Bake for 15 minutes. Turn fries over and bake another 10-15 minutes, or until fries are tender.

Chef’s Notes
- For easier cleanup, line the baking sheet with a layer of aluminum foil. Coat with non-stick cooking spray before placing the sweet potatoes on the sheet.
- For milder flavor, dust the potatoes with 1½ teaspoons of curry powder and ¼ teaspoon of salt in place of the cayenne seasoning.
- For the crispiest fries, be sure sweet potatoes do not lie on top of each other on the baking sheet. You may need to cook in two batches.
- White baking potatoes can be used in place of all or part of the sweet potatoes.

USDA Awards $900,000 to the NH Food Bank to Expand our ‘NH Feeding NH’ Program

We’re thrilled to share that the New Hampshire Food Bank has received a $900,000 grant from the U.S. Department of Agriculture (USDA) to support efforts to provide those in need with access to locally grown fruits, vegetables, meat and dairy.

With this grant through the Local Food Purchase Assistance Cooperative Agreement Program (LFPA), the New Hampshire Food Bank and the New Hampshire Department of Agriculture, Markets and Food (NHDAMF) will work together to expand the Food Bank’s ‘NH Feeding NH’ program, a statewide initiative supporting the purchase of food from New Hampshire farmers to provide food insecure Granite Staters with increased access to nutritious, locally grown fruits, vegetables, dairy, and meat.

“This critical funding enables us to grow our NH Feeding NH program to not only support more local farmers, but also to help nourish communities in need, reduce food waste, and replenish the local economy,” said Eileen Liponis, Executive Director, New Hampshire Food Bank. “We are grateful to the USDA and NHDAMF for this grant, which will be instrumental in our ongoing mission to eliminate food insecurity in New Hampshire.”

NH Feeding NH is a statewide initiative in partnership with the New Hampshire Food Alliance, New Hampshire Farm Bureau and the Northeast Organic Farming Association of New Hampshire.

During the initiative’s first year in 2020, 170 farms in New Hampshire participated in this innovative new program, providing nearly 40,000 pounds of food. In 2021, 117 of our partner agencies purchased more than 86,000 pounds of nutritious, local foods from 202 NH farms.

Through this funding from the USDA, the New Hampshire Food Bank anticipates expanding NH Feeding NH to work with 283 partner agencies statewide, which will provide an estimated 129,470 people experiencing food insecurity with access to locally grown food.

In addition to the USDA grant, the NH Food Bank received more than $40,000 in donations during NH Gives this June which will go toward the “NH Feeding NH” program. The $40,000 donation included a $10,000 NH Gives matching gift from the Hirshberg Family Fund of the New Hampshire Charitable Foundation.

They're Grrreat! Kellogg's & Associated Grocers of New England Team Up to Support the NH Food Bank

Associated Grocers of New England (AGNE) and Kellogg’s recently joined forces to fight hunger in New Hampshire. AGNE raised over $40,000 during its annual charity golf tournament on Wednesday, June 15, at Pembroke Pines Country Club and Kellogg’s recently donated 29 pallets of food on behalf of AGNE to support the New Hampshire Food Bank’s statewide efforts to eliminate food insecurity.

Over the past 13 years, AGNE’s charity golf tournaments have raised more than $515,000, or the equivalent of 950,000 meals, to fight hunger in the Granite State. The more than 11,000-pound food donation from Kellogg’s equates to nearly $35,000.

We are grateful to AGNE and Kellogg’s for their continued, generous support of our mission to help those in need in New Hampshire.

Recipe for Success Culinary Job Training: 2022 Graduate – Alyssa

"Cooking always takes me to another place where I can do anything."

Alyssa’s relationship with the NH Food Bank started nearly two years before she first set foot in our kitchen as a Recipe for Success Culinary Job Training student. She was first involved with our Cooking Matters NH program in 2020, which inspired her to take the leap to our culinary program in 2022.

In addition to learning new skills, recipe development, menu planning and kitchen management, Alyssa assisted in making meals for a variety of NH Food Bank agencies – like after school programs, senior centers and more. In total, our kitchen produces an estimated 5,000 meals each week - service Alyssa’s been inspired to continue, even after graduating, “My dream is to one day own a restaurant and also a food truck that will serve houseless people.”

With her newly gained skills, knowledge and experience, Alyssa passed her Servsafe Manager exam in June, and has now started a new position as the head of a kitchen, serving people six days a week. Alyssa leaves the Culinary Job Training program with not only new certifications and hands-on experience, but a professional network ready to support her culinary journey.
