

NH Food Bank's Hunger Action Month® Canned Creations Competition

September 2026

Calling all engineers, architects, and anyone with a passion for building to join the NH Food Bank for our Canned Creations Competition this September as part of Hunger Action Month!

Participating teams build creative structures using canned or packaged food items to benefit the New Hampshire Food Bank. Once completed, the cans you used to build your structure are donated to the New Hampshire Food Bank for distribution to our neighbors experiencing hunger throughout the Granite State.

How can I sign up?

If you or your organization is interested in the competition, contact Aubrey Goodale at agoodale@nhfoodbank.org or call 603-669-9725 ext. 1244

Our structure is built! What's next?

Email Aubrey Goodale at agoodale@nhfoodbank.org by September 30, 2026 with a photo of your creation and to set up a time for a NH Food Bank representative(s) to visit your site for judging! Winners will be announced after all judging has taken place.

Awards will be presented to the top winners. Judging categories include: Structural ingenuity, best use of labels, best meal, best original design, most cans, and packed with protein.
